

# PILCHUCK GLASS SCHOOL

## Legacy Society

The Legacy Society was created to recognize and honor benefactors who have invested in Pilchuck's future through bequests, trusts, life insurance, and other deferred giving options. Pilchuck Glass School's Legacy Society will keep the fires burning brightly, nourishing artistic growth, exploration, and education at the most comprehensive center in the world for artists who work in glass. Individuals qualify for membership by making a planned gift in any amount.

- I have included Pilchuck Glass School in my estate plan.
- It's fine that my name be published in Pilchuck Glass School collateral as being a member of The Legacy Society.
- Please have someone contact me to discuss the Legacy Society.
